2nd Annual Poundbury Fertility at King Edward VII's Hospital

A series of three educational evenings for health care professionals

We are pleased to announce the 2nd Annual Conference for Poundbury Fertility at King Edward VII's Hospital. The format will be similar to last year's very successful three evening meetings. The content has been expanded, so that as well as giving an update on past topics, new topics and new speakers will be introduced. As before, certification and refreshments will be provided and we really look forward to welcoming you.

Dates and times: 2 March 2016, 16 March 2016, 6 April 2016

Course Organiser: Mr Michael Dooley FRCOG, Consultant Gynaecologist

Target Audience: Nurses, health practitioners, complimentary practitioners, doctors, medical students, midwives, ultrasonographers with an interest in fertility

Venue: King Edward VII's Hospital, Beaumont Street, London, W1G 6AA

To register: kimpomeroy@kingedwardvii.co.uk

Fee: No charge

Numbers are limited, so it is advisable to book early
